## Award Winning In The Year Of 2008 In Singapore

The Enterprise 50 Awards recognize the contributions that local, privately-held companies have made in economic development in Singapore and abroad.

After a rigorous process of adjudication, we delighted to inform you that **Viking Airtech Pte Ltd** has been selected to receive the 2008 Enterprise 50 Awards.

We are honoured to receive the ENTERPRISE 50 award in November 2008.

The Enterprise 50 (E50) Awards, first established in 1995, recognise the contributions that local, privately-held companies have made in economic development at home and abroad.

The ranking of the top fifty companies will be primarily on a weighted-average computation of a set of performance indicators over a three-year period, including:

- Operating Profit Before Tax
- Turnover
- Growth in Operating Profits
- Growth in Turnover
- Return on Total Fixed Assets
- Operating Profit per Employee
- Percentage of Turnover from Overseas Operations
- Percentage of Payroll Spent on Training
- Percentage of Revenue Spent on R & D

The award is organised by:
